Description:

Interpreting situations that involve more than one interpreter require specific planning to support harmony among the team in order to provide effective communications between Deaf and Hearing clients. This workshop will explore and apply specific skills and strategies for cultivating a dynamic and cohesive interpreting team.

Objectives:

- Develop strategies to utilize when team interpreting from English to ASL, ASL to English and a combination of ASL and English teaming.
- Create a plan to prepare for team interpreting.
- Apply team interpreting strategies and skills to support fluidity during an assignment.
- Incorporate reflective practice to assess the team interpreting work and to support continued improvement.

The workshop leader, coordinators, and participants are dedicated to having a welcoming, respectful environment for all participants.

The North American Mission Board (NAMB) is an approved RID CMP Sponsor for Continuing Education Activities. This Professional Studies program is offered for 1.0 CEU at the Some Content Knowledge Level.
